

DR. R. D. SINCLAIR,
*Dean of The Faculty of Agriculture,
University of Alberta.*

Friend of Alberta Farmers *Recommends* **Victory Bonds** *to you . . .*

DR. R. D. SINCLAIR has combined practical and academic knowledge of agriculture in a unique degree. Born on a farm near Innisfail, Alberta, he was one of the early students of the School of Agriculture at Olds, and was a member of the first class to graduate from the College of Agriculture at the University of Alberta in 1918.

After spending some time in editorial work with a well known farm magazine, Dr. Sinclair joined the staff of the Department of Animal Husbandry of the University in 1922. He obtained his Master of Science degree at Iowa State College and later went to Aberdeen, Scotland to secure his Ph.D.

Dr. Sinclair was appointed Dean of the University's Faculty of Agriculture in 1942. He is recognized as Canada's outstanding authority on swine production and is known personally to thousands of Alberta Farmers.

Dr. Sinclair urges farmers to buy Victory Bonds.

He says:

"During the past four years of war the products of Alberta farms have made a substantial contribution to the food supply of the United Nations. But the need for weapons of war as well as food is still supremely urgent; one without the other will not finish the job.

"The Fifth Canadian Victory Loan provides further opportunity to make a financial investment in the war effort. The Bonds bought now will help to hold the farm lands of Alberta for Alberta farmers and, at the same time, provide the reserve capital which can be used for improvements when victory comes.

"As one born and raised on an Alberta farm, I appeal to the farmers of the Province to buy Bonds of the new Victory Loan to the limit of their financial resources."
